WHERE THE WOMEN PROPOSE.

It is in the Ukraine Where the Right horseshoer, made nine miniature at him. In the Ukraine, Russia the woman does all the courting. When she falls in love with a man she goes to his nouse and informs him of the state of her feelings. If he reciprocates all is well and the formal marriage is duly arranged. If, however, he is unwilling, she remains there, hoping to coax him to a better mind. The poor fel-low cannot treat her with the least discourtesy, nor has he the consolation friends in such a case would feel bound to avenge the insult. His remedy, therefore, if determined not to marry

her, is to leave his home and stay away as long as she is in it. On the 1sthmus of Darien either sex can do the courting, with the natural result that almost every one gets may A similar practice to that in the Ukraine exists among the Zur tribe of Indians. The woman does all the courting, and also controls the sitnation after marriage To her belong all the children, and descent, includ ng inheritance, is also on her side The same custom prevails among the Vigrees, a tribe in Cabul, and the Nairs of Malabar. Among the Gard race of Abssam, in Northeast India, it is not only the privilege, but even the
